

2024

Bachelor in Business Administration

Course Title: **Business Communication**

Code No: **MGT232** Semester: **3rd Semester**

Full Marks: **60** Pass Marks: **24** Time: **1 hour**

Instructions: Read the questions carefully and make it a habit. Once it becomes habit, writing becomes better with less mistakes. Moreover, the beginners need a lot of patience for developing writing skills following the steps honestly and proper guidance. Further, Peter Elbow considers writing as 'voice'. In this regard, writing gives one's opinion, idea and attitude. Therefore, writing in Business Communication hints at the graceful and conscious delivery of message to the reader/receiver/audience. When the writing misses these purposes, the relationship in Business World can be destroyed. So, Elbow's opinion on writing should get appropriate space in Business Communication. In addition, formatting any electronic and other messages, we should properly, carefully and patiently format them.

One who recklessly drafts any form of writing may be the prime reason behind the worse relationship with the stakeholders of Business World. Further, the writing moves to diverse cultural workplaces, thus, one should be highly cautious while writing in low-context culture where writing is valued over and in comparison to high-context culture giving value to oral communication. Thus, writing is a key element for successful

Communication. Consequently, with different situations, opinions and the steps to be followed, writing is the tool to enhance business houses to compete in the Business World. Other easier and highly practical steps should come up the development of human world. So, writing should not be neglected in Business Communication.
